RELATED HEALTH CARE DEVELOPMENT

Southern Indiana Surgery Center Founder

Organized and coordinated the development and construction for a 27,000 square feet multi-specialty surgery center partnership comprised of thirty-three local physicians and surgeons providing surgical services to South Central Indiana.

Southern Indiana Medical Park Founder

Organized, designed, and developed a twenty-five acre futuristic outpatient medical park, which includes the Southern Indiana Surgery Center, Cancer Center, Bloomington Foot and Ankle Center, a 45,000 square foot multi-specialty physicians' office building, a Laser and Colon-Rectal Center, and a Urological Center.

Precision Health Network, Founder, Past Chairman of Board

Organized, designed, and formed a state-of-the-art integrated managed care network comprised for twelve hundred physicians, sixteen hospitals, and the Owen-Monroe Business Coalition including over 28,000 lives.

Global Eye Network, Inc., Founder

Organized, designed, and developed a single-specialty carve-out statewide comprehensive eye care network.

Integ Health Systems, P.C., Founder and Owner

Acquired and organized local urgent care and family practices into a primary care group practice as the initial step in developing a fully integrated multi-specialty health system.

Unity Health System, Co-Founder and Chairman of Board

Along with leaders of Internal Medicine Associates and Emergency Care Physicians, organized merger with Integ Health System into fully integrated multi-specialty health system.
